FORT JIM FIRE SAFE COUNCIL

REQUEST FOR DEFENSIBLE SPACE & HOME HARDENING ASSESSMENT

Use this form to request a assessment from a trained volunteer.
The assessment will provide you with suggestions and
best practices to create and maintain your defensible space.
Your participation helps our entire community become safer from wildfires.

Place your cursor in a highlighted box to begin typing, or write in by pen.

PREFERRED DAY OF WEEK FOR AN INSPECTION:

ADDITIONAL COMMENTS / INFORMATION:

The Fort Jim Fire Safe Council thanks you for your interest in reducing your risk from wildfire as part of our Community Wildfire Protection Plan.

Seniors, veterans, low income and disabled residents may qualify for free defensible space assistance from the El Dorado County Fire Safe Council. For more information copy or click the below link:
https://www.edcfiresafe.org/defensible-space-program-details/

The goal of the assessment is to help you define your defensible space parameters and to provide you with recommendations. Assessors have completed the 16 hour "Home Ignition Zone / Defensible Space Assessor" training course through the El Dorado County Fire Safe Council. The Assessor will provide you with a detailed report which will assist you in improving your defensible space and home hardening plan.

The Defensible Space Assessment performed by Fort Jim Fire Safe Council is not an official document, and is only a recommendation for making the Fort Jim community and El Dorado County safer from wildfire.

EMAIL YOUR COMPLETED FORM TO: fortjimfsc@gmail.com

A volunteer Assessor will contact you by phone or email to schedule your assessment.

Please ensure any dogs/ pets are secured at time of inspection; an adult must be present for assessment.
