PREFERRED DAY OF WEEK FOR AN INSPECTION:

ADDITIONAL COMMENTS / INFORMATION:

The Fort Jim Fire Safe Council thanks you for your interest in making your property a part of our Community Wildfire Protection Plan. In addition, for seniors, veterans, low income and disabled residents who qualify you may be able to receive free assistance from the El Dorado County Fire Safe Council. Copy or click on the link below. <https://www.edcfiresafe.org/defensible-space-assistance-program-2022/>

A volunteer assessor will contact you, either by phone or email to schedule your assessment.

Helping define a defensible space and providing recommendations is the goal of the evaluators. Evaluators have completed the 16 hour El Dorado County Fire Safe Council Training Course - Home Ignition Zone / Defensible Space Assessor. Knowledgeable evaluators will provide you with specific ideas for creating and/or improving on your defensible space and home hardening.

The Defensible Space Assessment performed by Fort Jim Fire Safe Council is not an official document, and is only a recommendation for making the Fort Jim community and El Dorado County safer from wildfire.

COMPLETED FORM SHOULD BE EMAILED TO: fortjimfsc@gmail.com

Please ensure any dogs/ pets are secured at time of inspection; an adult must be present for assessment.
