

### Georgetown Community Wildfire Protection Plan Mutual Agreement Page

The Community Wildfire Protection Plan (CWPP) was developed for The El Dorado Fire Safe Council and the Georgetown Fire Safe/Firewise Council:

- This CWPP was collaboratively developed. Interested parties and federal land management agencies managing land in the vicinity of the plan have been consulted.
- This plan identifies and prioritizes areas for hazardous fuel reduction treatments and recommends the types and methods of treatment that will help protect the communities.

The following entities mutually agree with the contents of this Community Wildfire Protection Plan:
