Greetings To All:

This meeting will be dedicated to an update of the El Dorado County Countywide Community Wildfire Protection Plan (western slope).

A major goal of the update is to identify, record, map and link all Vegetation Management projects enabling a more strategic approach and focus to future planning. Our contractor Deer Creek Resources will be presenting their work and findings to date and seeking your comment and feedback.

Items to be covered:
- Community Fire Safe Councils activities and milestones.
- Stakeholder activities and plans.
- Integration of all activities into the CWPP.

Your input is important to the success of this project. Please join us;
