

PUBLIC WORKSHOP

HAZARDOUS VEGETATION AND DEFENSIBLE SPACE ORDINANCE

Description:

El Dorado County is in the process of updating its Defensible Space Ordinance. The Office of Wildfire Preparedness and Resilience (OWPR) will be hosting two public workshops to provide additional information on the proposed Ordinance amendments and address any questions or concerns.

Please join us at either workshop to gain a better understanding of defensible space requirements and how the proposed changes may impact you.

To view the proposed Ordinance amendment and additional materials on OWPR's website, please scan the QR code below or click [here](#).
