Firefighter Type 2 Wildland Firefighter Course
Thursday May 16th to Friday May 17th in Placerville, El
Dorado County

Training Details

Course Structure: This is a blended course with online coursework required and two days of skills training and testing.

Training Topics: Gain essential skills and knowledge required for effective wildland firefighting as well as prescribed burning.

- *Safety Protocols:* Learn the importance of safety in wildfire environments and understand personal protective equipment.
- *Field Exercises:* Participate in hands-on training exercises to apply theoretical knowledge in real-world scenarios.
- *Tools and Equipment:* Identify and use basic firefighting tools and equipment, including hoses, pumps, and hand tools.
- *Certification:* Successful completion of the course may open doors to opportunities in wildland firefighting and prescribed fire.

Who should attend: El Dorado and Amador county residents and others interested in:

- Pursuing a career in wildland firefighting.
- Enhancing knowledge of wildfire prevention / suppression.
- Community members passionate about contributing to safety and preservation of forests through use of prescribed fire.

Registration: Please register at www.healthyforestalliance.org. Early registration is encouraged, as space is limited. You will be required to become an associate member of the Healthy Forest Alliance to register (at no cost). There is no cost for the training.

For more information: For inquiries or additional information, please contact us at training@healthyforestalliance.org or call 775-895-9143. Or contact Susie Kocher, sdkocher@ucanr.edu.
